- My idea is make a visiting day for parents from outside to come and see how nursery looks and works.
- Maybe an open day around June or a fair or fundraiser well advertised on Facebook and shared.
- More social media.
- We were recommended to you by our health visitor so word of mouth is important.

#### **7. Do you have any suggestions as to how we can improve?**

- Blank
- No suggestions as the Aclet nursery is brilliant.
- No suggestions, have yet again been thoroughly pleased and satisfied with my child's time at Aclet Nursery School. Thank you!

- It can sometimes be difficult to find coats etc at home time. If children were able to have their own peg it may help.
- Keep being great!!
- A little bit of homework so that they can show us what they're learning at nursery.
