

ACLET CLOSE NURSERY SCHOOL

FEEDBACK FROM SPOOKY STAY AND PLAY: DATE 21.10.19 & 22.10.19

1) Why did you attend this stay and play session?

- To spend time with (my child) and see what he likes doing in Nursery.
- It was a lovely opportunity to see the Nursery in action and to catch a snap shot of how (my child) spends her time there.
- Fun with Princess (my child).
- I thought it would be a novelty for (my child) to have us there and to show us around. And also (my younger son) loves coming too.
- As an insight into what the children do at Nursery, but also I enjoy the time spent with the children.

2) What Went Well? Is there anything you particularly liked or appreciated during your visit?

- We appreciate the effort put in to making sure there is something for everyone and the amount of activities there are to do.
- It was good to see the different areas of the Nursery, both inside and outside, being used with enthusiasm by the children. I loved the investigation hut with its equipment for scrutinizing and exploring. Children clearly enjoyed the freedom to run off their excess energy or to sit quietly and read a book.
- Bonding with Granddaughter.
- To spend time with her in the Nursery environment.
- For me the fact that other children were willing to interact with me while playing with my granddaughter.

3) Please describe our Nursery school in 3 words:

- Supportive, exceptional, friendly
- Friendly, caring, opportunity providing
- All my Grandkids have attended Aclet Close Nursery and I can't fault it, the staff are lovely.
- Friendly, welcoming, lots of activities
- Welcoming, friendly, happy

4) Even Better If... How could we improve/change our stay and play session?

- Blank
- Perhaps have a theme based treasure hunt or trail where parents/carers and children could find clues hidden both outside and inside which could be ticked off a sheet.
- Don't think you can.
- We really enjoyed it as it was.
- Possible if some of the staff interacted more with parents and the children, I did find that they tended to stand back a little.

5) Do you have any suggestions as to other ways we can work in partnership in the future?

- Blank
- Some kind of group activity where all children and parents are involved together.
- Do you have a soft toy or teddy which children could take home for a special occasion or

visit? With the help of photographs the children could tell their class mates about their experiences with the Nursery mascot.

- Can't.
- Blank
