7. Additional comment (optional) Thank you for your feedback. We very much appreciate it

- Both my children attended ACNS and have thrived during their time there. The nursery has always felt very welcoming with friendly and approachable staff. The variety of activities offered to the children have always been excellent including activities outside of the nursery such as the swimming and library visits which I think were excellent opportunities for the children and my children absolutely loved. The staff go above and beyond their role and adore the children that are in their care. I'm very sad to say goodbye to the nursery and staff as my little boy moves on to school. I wish you all the luck in the future. Keep doing what you're doing and the nursery will always be a success.

- Could not be happier with this Nursery and I could not recommend this Nursery enough, my child suffered with separation anxiety and bringing him to nursery was such a hard step for us. He was made to feel welcome from day 1 and he settled amazingly. The staff are outstanding, my son absolutely loves them and loves coming, something I never thought we would achieve. He is so prepared for school and I have the staff to thank for this. They were always supportive with anything I had to take to them and always there to listen. We will both miss them all very much. Thank you for everything.
- The best Nursery we could wish for teachers are great, my little girl absolutely loved going every day and she came in leaps and bounds, can't recommend it enough.
- Thankyou you all for your efforts, N has thoroughly enjoyed her time at Nursery. She'll be very sad to leave but she is ready for school. Enjoy your Summer and A will be with you in a blink of an eye.
- Aclet Close in my opinion is fantastic. My little boy loved his time here it really helped him come out of his shell a lot and interact with other children... all staff are a credit to the Nursery.
